TOWN OF SELBYVILLE

NOTICE

The Town of Selbyville announces that, after a Public Hearing held on October 7, 2024, the Mayor and Council voted to approve the issuance of up to \$707,000.00 maximum principal amount general obligation bonds to provide financing for the costs associated with the Town's Tingle Acres Mobile Home Park (MHP) lead service line replacement project, said amount to include the payment of costs associated therewith (hereinafter referred to as "the proposed borrowing"), and ordered that a Special Election be held for the purpose of voting for or against the proposed borrowing. The Town intends to seek financing through the Delaware Drinking Water Revolving Fund program, administered by the Department of Health and Social Services and, if successful, anticipates that the principal may be forgiven upon completion of the project funded by the proposed borrowing. The Special Election was held on December 10, 2024, at the Selbyville Town Hall from 9:00 a.m. until 3:00 p.m. The proposed borrowing was approved by a majority of those casting votes at said Special Election. The official Special Election results were 58 votes in favor of the proposed borrowing and 13 votes against the proposed borrowing.

Any person desiring to challenge the authorization of such bonds or certificates of indebtedness must bring his or her action within sixty (60) days from the date of this publication/posting or forever be barred from doing so.
