**Town of Selbyville**  
**Notice to Registered Voter – Important Election Update**

Dear Registered Voter,

On **June 24, 2025**, the Governor of Delaware signed **Senate Bill 39** into law. This legislation makes several important changes to the **Charter of the Town of Selbyville**, effective immediately.

**Key Changes:**

1. **Creation of Four Election Districts**  
Selbyville is now divided into **4 election districts**, each nearly equal in population based on the most recent U.S. decennial census.
  2. **Revised Town Council Structure**  
The **Town Council** will now consist of **4 members**, with **1 member elected from each district**. Each council member must be:
    - A resident of their respective district.
    - Elected by registered voters within that district.
  3. **New Residency Requirement for Candidates**  
Any candidate for **Mayor or Town Council** must be a **resident of Selbyville for at least 2 years** prior to the election.
  4. **Revised Election Schedule**  
Elections will follow a **staggered schedule**:
    - **Districts 1 & 3**: Elections held in **odd-numbered years**.
    - **Districts 2 & 4**: Elections held in **even-numbered years**.
    - The **Mayor** will be elected **at-large** by all registered voters in **odd-numbered years**.
- Note: Elections are only held if more than one candidate runs for a seat. If a candidate is unopposed, no election will be held for that position. This is determined each year in February.*
5. **District Assignment & Census Impact**  
Your district assignment is based on current census data. If your district changes due to updates from the **U.S. Census Bureau**, you will be notified after the release of the updated census data.
