Memo to Selbyville Residents – Residential Planned Communities

This is a reminder that the Town of Selbyville has regulations regarding the placement and removal of trash and rubbish containers.

Town Code §150-3D states:

All rubbish or trash containers shall be removed from the front of any property within 24 hours after being emptied by the collector. When full, containers may be placed along the curb in front of the property no earlier than 12:00 noon on the day preceding the scheduled collection day.

Town Code §200-36D(6)(b)[3] states:

Each lot shall have a concealed trash-can storage area that is not visible from the roadways on non-trash-collection days.

Residents are asked to comply with these regulations to help maintain the appearance, cleanliness, and overall quality of our community. Please be aware that failure to comply with the Town's trash disposal requirements may result in fines and other penalties as provided under the Town Code.

These provisions will be strictly enforced.

Thank you for your cooperation.

Sincerely,

TOWN OF SELBYVILLE
